

52ND BATTALION SAFE ON OLD SOD; CABLES RECEIVED BY FRIENDS HERE

Arrived at Godalming at Three
O'clock Saturday Afternoon—
Several Messages Received

TO CAMP AT GODALMING

News of the 52nd New Ontario Battalion disembarking in England reached the Lakehead in December 1915. There they would await orders to go to the front. Also in December, the Port Arthur News Chronicle reported that the soldiers from the second draft of the 52nd were now at the front in France and soon to be in the trenches.
